VISION™

horizoneye.com

With **Weekend LASIK™**, have LASIK on Friday and be back at work Monday. Yes, it's that quick.

Weekend LASIK™
It's very fast because it's very advanced.

Making the decision to have laser vision correction is one that you need to feel comfortable with from start to finish.

Our leading-edge **Weekend LASIK™** sets a new standard for laser surgery with a procedure that is quick and has little or no discomfort. And it reduces or eliminates the possible side effects of conventional laser vision correction.

Talk to us. We will be happy to explain the complete procedure in detail and answer all of your questions. You'll see yourself back at work after LASIK in just one weekend.

The Alcon WaveLight[®] EX500 Excimer Laser

It's the fastest laser surgery platform in the United States. Customizable to the unique contours of your eye with exacting precision. Which means you'll get the highest quality treatment in the least amount of time.

Setting a new bar in refractive laser procedures, the Alcon WaveLight[®] EX500 assures you of a world you've never seen so clearly.

The best treatment. The best doctors.

Horizon Eye Care has been the leader in ophthalmology services throughout the Greater Charlotte area since 1985. Our physicians are trusted by thousands of patients. And together, they have combined experience of over 40 years.

Today, **Weekend LASIK™** offers patients who are nearsighted, farsighted or have an astigmatism excellent vision without glasses or contacts.

To arrange a consultation, please go to **horizoneye.com/lasik** or call **888-71-LASIK**. We look forward to seeing you.

VISION™

You'll be able to read these better. Without glasses or contacts.

"By the time I underwent LASIK, I had spent almost ten years agonizing over whether to have it done. Today, I have definite improvement in my quality of life."

–Jodi D., MD

"Being able to wake up and see with perfect clarity just a day or two after the procedure was a feeling I will never forget. Thank you, Dr. Biber."

–Nate M., Medical Student

"The procedure was painless, minimal discomfort, and a quick and easy recovery."

–Rick M., Retired Dispatcher

"Dr. Branner was wonderful! He explained everything to me in great detail and my vision has been perfect ever since."

–Jessica M., Investment Advisor

"The surgery went so smoothly with Dr. Stollendorf, and the results were so dramatic that my only regret was that I didn't do it years ago."

–Agnes S., Accounting
